DRIVER SIDE (LEFT):

You can easily pull the back rest adjuster from it's position to remove your old or broken parts.

©TOP CLASSIC PARTS LLC , Ft. Myers, FL, <https://benz.parts>

Please note, we used two different versions of the covers, just to show the different options you can purchase.

PASSENGER SIDE (LEFT):

Top Part easily
pulls off its
position.

The bottom part
needs to be
pulled from the
black back part.
Just lift it on the
edge and pull.

Once removed, this is what the installation area looks like.

The pins on the back side of your part need to be pushed in the marked holes as shown in the picture

This is the old (chrome) vs the new part.

You can clearly see, the clips need to fit in the holes on previous slide.

Most of the old clips are breaking.
Our part is re-engineered to last a lifetime

The lower part
when installed.

The upper part when installed.

Please note, we used two different versions of the covers, just to show the different options you can purchase.
